
Application for Membership and for Telecommunications Service

The undersigned (hereinafter called "Applicant") applies for membership in and agrees to take telecommunications services from Twin Lakes Telephone Cooperative Corporation, (hereinafter called the "Cooperative"), upon the following terms and conditions:

1. The Applicant will pay a non-refundable service order and installation charge. In addition, the Applicant will be charged a membership fee of \$10.00. The membership fee constitutes the Applicant's first equity investment in the Cooperative and shall be refundable when the Applicant terminates all services with the Cooperative.
2. The Applicant grants to the Cooperative a permanent right-of-way easement to construct, operate and maintain a telecommunications line, cable or system on the Applicant's land, or upon all streets, roads or highways abutting said land. Such easement shall be granted for the purpose of serving the Applicant or other members of the Cooperative when such easement is necessary to provide telecommunications services.
3. The Applicant will take from the Cooperative telecommunications services to be used on the premises described below and will pay therefor monthly at rates to be determined from time to time in accord with applicable tariffs and bylaws of the Cooperative. The Applicant will also pay to the Cooperative all just and proper charges accruing to long distance carriers who employ the services of the Cooperative for billing and collecting purposes. All amounts paid by the Applicant in excess of operating costs and expenses of the Cooperative and in excess of funds remitted to other carriers by virtue of traffic agreements are furnished by the Applicant as equity capital in the Cooperative from the moment of receipt of such amounts. The Applicant shall be credited with the capital so furnished as provided for in the bylaws.
4. The Applicant will comply with and be bound by the provisions of the charter and bylaws of the Cooperative, and such rules and regulations as may from time to time be adopted by the board or management of the Cooperative.
5. The Applicant, by becoming a member, assumes no personal liability or responsibility for any and all debts or liabilities of the Cooperative, and it is expressly understood that Applicant's private property is exempt from execution for any such debts or liabilities.
6. Any refund due member will be made, less any debt that the member owes the Cooperative.

This application is made in consideration of similar applications by other members and is understood to be an agreement with the other members of the Cooperative and the Cooperative corporation itself.

CPNI PASSWORD AND SECURITY QUESTION

The FCC has implemented new rules to protect the privacy of information contained in your telephone account. Effective December 8, 2007, we are not allowed to discuss some account information like details of your calls and services with anyone but the person listed on the account. We also must be able to verify that the person who accesses your account information is in fact you, so we are requiring a password and security.

Twin Lakes Broadband Agreement - Residential/Business

This Agreement is made by the individual or authorized person of the organization ("customer") identified below and Twin Lakes ("company"). The company and customer agree to the following conditions concerning Broadband service provided by the company to the customer. .

1. Based upon network availability, Twin Lakes' Broadband is a "best efforts" service, which can provide Up Stream & Down Stream speeds selected by the customer. The actual speed experienced by customers may vary and depend on several factors not limited to, but including customer location, the destination on the Internet, traffic on the Internet, interference with a high frequency spectrum on the customer's telephone line and other devices that may be attached to the same cable pair. No minimum level of speed is guaranteed without a specific service agreement.
2. The company is not responsible for any external intrusion to the customer's network equipment. The customer is responsible for providing firewall protection in an effort to help prevent intrusions. Since this service is an "Always On" connection, it is the company's recommendation that each customer has appropriate firewall protection on their equipment when using Twin Lakes' Broadband service.
3. The company is not responsible for any personal computer or network malfunctions and/or damage to the customer's hardware or software.
4. The company is providing Broadband service on a retail basis to the customer. The customer agrees to utilize the service exclusively and not to provide access to third parties either through "sharing" or "resale."
5. Web Page HOSTING and caching are services prohibited with customer's Broadband connection.

Any evidence of the services prohibited within this agreement would be a breach of this agreement and termination of the Broadband connection would occur upon determination of these services being offered.
