

Foundation for Rural Service Community Grant

As part of its ongoing commitment to rural communities across the country, the Foundation for Rural Service (FRS) offers aid for communities served by NTCA-The Rural Broadband Association members, including Twin Lakes, through its annual Community Grants Program. These grants are designed to provide support to a variety of local efforts to build and sustain a high quality of life in rural America. Twin Lakes would like to congratulate Clay County Three Star Program, Dodson Branch School, East 52 Volunteer Fire Dept., and Pine Haven Elementary as recipients of the 2019 FRS Community Grant. For more information on the FRS Community Grant, please contact your local Twin Lakes office.

Tech Tip: Say “No” to Call Fraud and Scams

More and more people are reporting fraudulent calls each year, especially during tax season. We want our customers to be aware of these calls and share some tips on how you can prevent these types of calls.

Ignore Unknown Callers: Let your voicemail receive the call. If it is important, most companies will leave a voicemail so you can return the call.

Block Phone Numbers: Many smartphones now have the option to block specific numbers directly from your phone. If you need to block a number from calling your landline, contact Twin Lakes for details.

Add Your Number to the Do-Not-Call-Registry: A national Do-Not-Call-Registry has been established to give you the opportunity in limiting the telemarketing calls you receive. Register your home telephone number and cell phone number on the National Do-Not-Call list to restrict commercial telemarketers from calling you by calling **888.382.1222** or visiting www.donotcall.gov.

Decorating Easter Eggs

Project Supplies:

- 1 ¼ cups all-purpose flour
- Plastic Easter Eggs
- Mod Podge
- Fine Glitter (your choice of colors)
- Paint brush
- Spoon
- A Paper Bowl

Instructions:

1. Cover one half of the Easter Egg in Mod Podge, then using the plastic spoon, cover the Mod Podge coated area of the egg with glitter.
2. Once the bottom half of the egg is completely covered in glitter, let the egg dry for about 10-15 mins.
3. Once the glittered area is dry to the touch, carefully paint Mod Podge onto the second half of the egg and finish covering the whole thing with glitter.
4. Repeat steps 1-3 until each egg is complete.
