## Twin Lakes Provides Funding for 15 Community Grants Totaling More Than \$70,000

Twin Lakes understands the financial hardships many of our local community organizations have experienced due to the COVID-19 pandemic. In an effort to enable economic development in our communities, Twin Lakes committed to fully funding the remaining 15 qualified 2020 FRS grant applications, totaling more than \$70,000! We look forward to the significant impact these projects will have on our local communities now, and in the many years to come! Visit the Twin Lakes Facebook page for a full list of recipients.

## Tech Tip: Say "No" to call Fraud and Scams

More and more people are reporting fraudulent calls each year, especially during tax season. We want our customers to be aware of these calls and to share some tips on how you can prevent these types of calls.

**Ignore Unknown Callers:** Let your voicemail receive the call. If it is important, most companies will leave a voicemail and you can always return the call.

**Block Phone Numbers:** Many smartphones now have the option to block specific numbers directly from your phone. If you need to block a number from calling your landline, contact Twin Lakes for details.

**Add Your Number to the Do-Not-Call-Registry:** A national Do-Not-Call-Registry has been established to give you the opportunity in limiting the telemarketing calls you receive. Register your home telephone number and cell phone number on the National Do-Not-Call list to restrict commercial telemarketers from calling you by calling 888.382.1222 or visiting [www.donotcall.gov](http://www.donotcall.gov).
