Twin Lakes is celebrating 70 years in service this year and we want to say a special thank you to our loyal customers who have helped us reach this monumental milestone in our company.

We are honored to serve you everyday and we look forward to continuing to serve you in the future. Thank you for 70 great years!

## Project Graduation

Twin Lakes recently visited with each high school in our service area to present the graduating seniors with a \$2,500.00 check to be used for Project Graduation. Project Graduation is an overnight event the seniors participate in as their class gathers for one last time. Numerous items are given to the students during Project Graduation as a gift for their accomplishments and hard work over the past four years. This occasion has been taking place for several years to give the students an award and a safe place to gather and say their good-byes. Twin Lakes is proud to sponsor this event and would like to congratulate the Class of 2021 and wish them the best on their next chapter in life.

Pickett County High School

Upperman High School

## 2021 Education Support — \$1.00 Per Student

Twin Lakes recently visited all K-8 schools in our service area to present them with a check to help further meet the needs of their students. Each school received \$1.00 per student that was currently enrolled. Twin Lakes understands the importance of education in our rural areas and we are proud to give back to our community. Visit the Twin Lakes Facebook page to see all the schools involved.

## Is It Time To Upgrade Your Home Office Broadband?

If you're one of the millions of professionals who work from home, you know how important it is to have a reliable connection to coworkers, colleagues, and clients. Upgrade to Twin Lakes' GIG internet and receive the fastest and most reliable internet available.

GIG internet is the next generation of broadband service, providing speeds up to 1,000 Mbps. What does that mean for you?

- Use an entire home of devices (laptops, tablets, phones) at the same time
- Download and upload massive files of data in a matter of seconds
- Seamlessly stream video conference calls
- Sync files instantly to a shared company network
- And more!

## Do more with GIG speeds!

## Happy Memorial Day!

All Twin Lakes Offices will be closed for the Memorial Day Holiday, Monday, May 31st. We wish you and your families a very Happy Memorial Day weekend!
