## The **TWIN LAKES** Difference

### Twin Lakes Provides Funding for 19 Community Grants Totaling More Than \$85,000!

Twin Lakes has awarded more than \$85,000 to 19 local organizations to enhance the quality of life for those who live, work and play in the Upper Cumberland region. These organizations range from schools, libraries, fire departments, economic development groups and more.

The community grant program is offered annually through Twin Lakes to support local technology efforts to build and sustain a high quality of life in rural America. Twin Lakes looks forward to the significant impact these projects will have on our local communities now and in the years to come. ## The Affordable Connectivity Program

You could be eligible for a discount  
toward broadband service.

The Affordable Connectivity Program (ACP) is a federal government benefit program operated by the FCC that helps ensure that households can afford the broadband they need for work, school, healthcare and more.

The benefit provides a discount of up to \$30 per month toward internet service for eligible households. All Twin Lakes broadband packages are ACP compliant. The ACP is non-transferable and limited to one monthly service discount per household. To find out if you qualify for the Affordable Connectivity Program, apply now at:
